

EXPECTATIONS/CONTRACT FOR ENGLISH 11 and 12 ERWC 2021-2022
(Read expectations with parents, sign and return to me by Friday, August 12th)

1. Be respectful of the instructor and other students. No bullying or making others feel uncomfortable will be tolerated.
2. **STAY OFF YOUR PHONE IN CLASS.** (We will be using the cell phone pockets for possible extra credit).
3. I don't mind if you have a drink, but if it's anything other than water, please be very careful to avoid spills. Save the food for later.
4. Please watch your manners while you are in class. This means foul language and not taking class seriously, being disrespectful, or talking when you shouldn't be. You also shouldn't be wandering around the room or out of your seat without permission.
5. Please follow online directions and give yourself plenty of time to submit something.
6. The tardy policy of the school is expected to be followed. You'll need to be in your seat when the bell rings to avoid being tardy. The third tardy will be given detention, and then progressive discipline from there. You will lose points each week for unexcused tardies.
8. If you are absent, you must make up all work within 1 day of returning to class (unless you are absent for more than 1 day). Unexcused absences will not be allowed to make up work.
9. Please follow the dress code (you will be deducted participation points for dress code violations), take out your air pods or headphones of any kind during class and please remove hoods from shirts or sweatshirts/jackets.
10. Save the grooming (makeup, brush, etc.) for after class please.
